## COMPANY PROFILE

**SURG IMPEX & CO.** aims at, not only to introduce high quality Beauty Instruments, to the world market, but also to continue, at its best, a renovating process with a view to bring home to surgeons innovations coming up through latest trends and technology.

### STEP BY STEP

**SURG IMPEX & CO.** has its foundations, deeper as long as 5 years when two skilled men renowned for their workmanship and expertise in manufacturing Beauty / Surgical Instruments, specially Scissor & Forceps, cemented together their bricks by starting local distribution of Beauty instruments of their specialty, and gradually treaded their way from local distribution to a position as of today, thereby expanding their production base to almost full range of surgical / Dental instruments.

**SURG IMPEX & CO.** has earned recognition from US Market and also from majority of instrument companies of the world.

**SURG IMPEX & CO.** has its Headquarters at Sialkot (Pakistan), from where it supplies its instruments to many countries of the world, as well as, looks after the progress of its sole representatives in selected regions of the world, gradually growing its business around the globe.

### Products Quality

What sets our Products apart from the competition?

Our products are different from others in the following manner.

**Quality:** They will comply the exact specification provided by the customer.

**Function:** Our products always perfect for the function they are made for.

**Feature:** We carry out all the necessary tests, inspections and process control activities to ensure that there is no problem with the products. We will also give the technical specifications to improve the confidence of the customer.

**Reliability:** We give our customer the guarantee that there our Products are reliable in use even after using it up till extended period of time. Our Products will perform their function efficiently more than any other product of similar nature in the market. Where our Products are made are made? All the Products are made in our own facility by the workers who are best in their workmanship, and commitment.
